Lord John Russell's new Sugar measure-honor to the Hon. Louis McLane-state of the crops-the Polato rot in Ireland again - Repeal disputes -- consumption of Indian corn-state of the markets,

The news by the Great Western is but six days later than that received by the last steamer. The elections seemed to engross the entire attention of

the press and the people of France.

In Spain, the Queen's marriage was the general topic of discussion, with the claims of the different candidates Peyton and Featherston's Regiments are not recognized by the Department as being in the service at

The ship Louise, Harvest, and Sophia, arrived at Bremen, from Baltimore on the 12th and 13th of July. On the 20th of July the ship Powhatan sailed from Liverpool, and the Herman from Deal, both Baltimore.

The harvest in the South of France is making some progress, but the result does not seem to be very satisfactory. The extraordinary heat of the temperature in June and July has caused a notable deficiency in the crops. It appears that the failure in the apple crop is likely to be general throughout Europe.

It is stated that the Russian government is in consternation at the apprehended total failure of the present

of a horrible massacre of some French and English at

The ship Matilda arrived at Liverpool, from Shanghae, had 40,000 Chinese bricks on board. A previous importation of 15,000 had taken place a few days before. In 1843, the quantity of iron made weekly in North and South Staffordshire was 520 tons; the make now amounts to 1530 tons.

The "learned blacksmith," Mr. Elling Burritt, continues to excite much attention in England. He has been lectu- the seat of war. ring successfully in Manchester. The Psyche French frigate will leave Brest shortly for

the Gulf of Mexico, to convey thither the new French Plenipotentiary. The Chamber of Commerce at Liverpool had addressed a highly complimentary letter to Mr. McLane, for his exertions in bringing about a settlement of the difficulties between the United States and Great Britain on the Ore-

gon territory. The letter from the Chamber says: "Although the conciousness of having labored to pro- rio left. mote the welfare of mankind, is in itself a great reward, ted the patience, ability, and temper by which your con- ult. duct has been distinguished. Whilst you have carefully maintained the honor of the United States, you have

PUBLIC SALE.

VILL be exposed to public sale, on the 7th of September next, at tract of LAND, containing 100 acres, it being the east half of the southeast quarter of section seven, township fifteen, range frag. Said land lies about one mile from the court hence at Indianapaths, is intersected by the Michigan road, and nearly adjoining the nathrath front. It is without any improvement, being entirely in a state of nature. In point of soil and timber it is not surpassed by any land in the county. Owing to its local situation, it offers more inducements to purchasers than any land in the State.

when a deed will be made and a mortgage required to score the re-mainder in three equal annual phyments. Sale will be held on the premises between the hours of 10 and 12 o'clock, A. M., where due
